

There is over US\$ 1 billion
of electricity stolen each year

Don't be Out-FOXED

Real Utility Revenue Protection begins
with the polycarbonate Anchor Seal AWN

No tools required

**Anti-UV additives
prolong seal life
up to 20 years**

Impossible to counterfeit

High relief molded numbers

Together with the Anchor seal above
we now offer you web software that tracks
the seal application and usage, creating
a Security Link at www.securetrack.com.br

ELC provides unsurpassed Virtual sealing

Revenue protection and Sealing information 100% achieved
